WELCOME TO TGS

Who Are We?

देवस्य प्रसादात् वयं ज्ञानस्य,
प्रज्ञायाः, आध्यात्मस्य च स्थानं स्मः।

By the grace of god we are the place of knowledge, wisdom and spirituality.

The Genesis School stands as a top-tier educational group in North India, building a formidable legacy of excellence since 2010. Committed to shaping futures, the group is renowned for its integrated school programs and dedicated coaching centers that consistently produce top ranks in the most challenging competitive examinations, including NEET, IIT-JEE (Mains & Advanced), CUET, CLAT, IPMAT, NDA, and various Olympiads and other National Entrance Exams.

Coaching & Institute Network

The educational group operates an extensive network of highly successful coaching centers/classes across multiple North Indian cities, providing expert guidance, comprehensive study modules, and rigorous test series.

Location : Karnal, Kurukshetra, Kaithal, Panipat, Shamli, Moradabad.

Our Legacy of Excellence (Since 2010)

The Genesis School is a rapidly expanding educational conglomerate and North India's top institute for **NEET, IIT-JEE, NDA & other competitive exams**. Our institution is home to world-class education provided by expert faculty, transforming dreams into reality since 2010.

We are committed to nourishing academia, with a focus on comprehensive preparation for national competitive exams alongside strong foundational schooling. Our educational institutions are dedicated to guiding students towards academic excellence and success in life.

Faculty Strength	(Over 500 teaching and non-teaching faculty)
Student Base	(Serving more than 6,000 students)
Geographic Spread	(Institutions spread across North India)

Pillars of TGS

The Genesis School's integrated curriculum offers world-class education, aligning students with international standards for comprehensive learning and global readiness. We focus extensively on essential social, technological and life skills to ensure that our students become confident and competent young adults.

Why TGS?

Academic Excellence

The Stages Of Learning at TGS

Dhruvshila (Nur. to 3rd)

यथा ध्रुवोऽति स्थिरो नित्यं तथा सद्गमनिर्गतो भूयात् ।

"As Dhruva is eternally and extremely steady, so too may he (or anyone) become devoted to righteousness".

Gyanshila (4th to 8th)

"उत्तिष्ठत जाग्रत प्राप्य वरात् निबोधत।":

Arise, awake, and stop not till the goal is reached. This is a famous quote from the Katha Upanishad that encourages people to seek knowledge from the wise

Karmshila (9th to 12th)

"न कर्मणामनारम्भान्नेष्कर्म्यपुरुषोऽश्नुते।":

"Without action, one does not attain perfection (or liberation)."

In our educational approach, we fuse international teaching methods with traditional Indian values, promoting both rigorous study habits and a deep respect for elders.

- Innovative child-centric integrated curriculum targeting holistic development in a child.
- Infrastructure and materials supporting simulation of real-life experiences and activities.
- A blend of proven theories and principles with scientific approaches aiding high-order thinking skills.
- Superior quality of language development through Jolly Phonics.

Project Darpan

यत्तु मानवं मनोन्तर कायः शान्तिमाश्रितः फलति तन्न मनः-सखी।
When the human mind dwells within peacefully and rests in stillness, then that mind becomes its own best friend.

Project **DARPAN** is our school's mental wellness initiative focused on support, empathy and emotional growth.

We believe every student has a unique story and inner light - their own **DARPAN**.

Here, we help students:-

- Nurture emotional strength
- Open up without fear
- Overcome challenges
- Rise with confidence

Because your feelings matter.
Your voice matters.
YOU matter.

Learning Beyond Classrooms

We, at The Genesis School, aim at holistic growth which covers the three-dimensional support of abilities, skills, and ethics.

DANCE

We impart flexibility, strength, and endurance to our students so that they can express themselves better.

MUSIC

A dynamic music program encompassing composition, performance, and critical analysis

PUBLIC SPEAKING

Equipping children with confidence and skill to speak in public, and think critically and creatively. It improves research and leadership skills along with the ability to advocate for social causes.

Life Skill Programme

Our Life Skill Programme cultivates future leaders, teaching vital skills like public speaking and debate. Confident faces in the spotlight exemplify our success in character building, fostering enthusiasm as students engage with teachers and staff throughout their academic journey.

Visual Arts

Through the arts, we amplify imagination and liberate the creative energy in each child. They are provided with opportunities to showcase their abilities and unlock their hidden talents.

- Theoretical practice
- Art-making practice
- Curatorial practice

Speech and Drama (Theatre)

While focusing on speech and drama, we celebrate the art of expression of human emotions through theatre programme.

- Creating theatre based on its rich history
- Working with play texts
- Examining world theatre traditions
- Collaboratively creating original theatre

Best-in-Class infrastructure

The genesis school is committed to making school a 'home away from home' for our students. Our spacious, digitally equipped classrooms and state-of-the-art labs provide a comfortable and enriching academic environment.

Smart classrooms

Digi boards in each and every class to enhance classroom learning.

Music rooms

Decked up with a variety of musical instruments, to express and enhance their expertise

Playgrounds

Spacious and suitable for all kinds of games and sports activities

Labs

Latest technology equipment with lab experts

Skating Rinks

Outdoor wings for a little unwinding each week.

Computer Labs

Latest generation of computers with high-speed internet

Basketball courts

Perfect courts complemented with professional guidance.

Library

A variety of books offering myriad of knowledge.

Pre-Nurture & Career Foundation for Class VI, VIII, VIII, IX & X

It is designed to inculcate out of the box thinking skills in students. Preparatory sessions for Olympiad Exams in Math, Science, Social Studies & English are also conducted on weekdays, after school hours, as per the competitive exam schedule

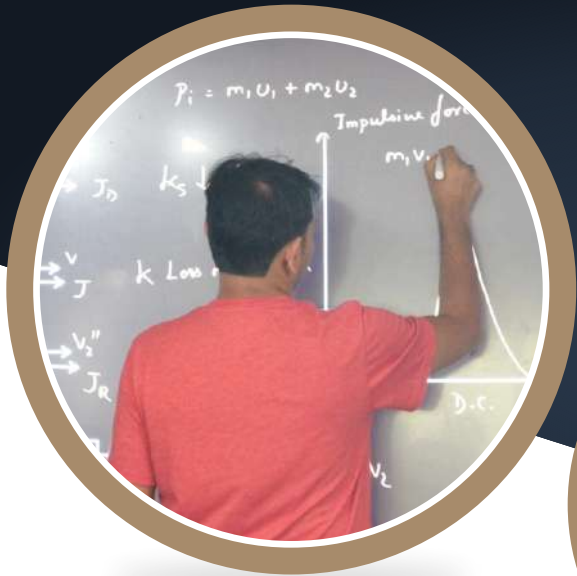

Foundation Builder

For Grade 9 & 10

Duration : 1 Year
Course Details

This course fosters confidence and broadens up the logical and creative bent of mind, making it a problem-solving delight. Preparatory sessions for Olympiad Exams in Math, Science, Social Studies & English are also conducted on weekdays, after school hours, as per competitive exam schedule. (refer competitive exam table).

TEACHING PEDAGOGY

Industry

Each lecture consists of 90 mins and are highly designed according to the pattern and level of the competition, which are conducted online as well as offline.

Classroom Sessions

The academics at The Genesis School is provided by the founders themselves together with a 100+ highly qualified. Subject experts. Who are typically ex-IITians, NITians and icons of the industry.

Doubt session

These sessions are regularly scheduled in time-table and also separately arranged for those students who require extra assistance for clarification of their doubts.

Study Material

Comprehensive Study Material which include innovative explanation, complex examples and various year question. Consisting of conceptual, tricky and brain storming questions.

Intelligent test system

For better familiarisation with various competitive exams, periodic Tests are conducted to evaluate students performance and the develop their to respond promptly to all type of questions to improve speed and loopholes.

IOQM Qualified (Indian Olympiad Qualifier in Mathematics)

Olympiads are the exams that allow students to compete with other students of similar educational levels. These exams are carried out to conclude and appreciate the skills of participants in subjects like mathematics, science, computer technology, or english language. Olympiads are conducted in all 3 levels- regional, national and international; the participating students are judged on their scientific reasoning, analytical thinking, and logical-ability related to the particular subject. Students who appear for these exams and achieve good marks are awarded scholarships, and money grants. Similarly, scholarship exams are Nationally and Internationally recognized tests which include analytical questions thinking. If a student qualifies for the scholarship, they get the opportunity to win money grants, rewards and financial aids in pursuing higher education. At Genesis, we train our students for these examinations by making them go through extensive practice of logical reasoning and analytical thinking. We make our students practice various intellect-building exercises so that they can face the fierce competition which takes place at national and international levels.
